### LYONS' SPRING CLEANUP

The Sustainable Futures Commission is once again sponsoring the Lyons Spring Clean Up, a three-pronged event happening in May. Lyons Spring Clean Up kicks off with a community-wide garage sale at Sandstone Park, along with Eco-Cycle offering three unique zero-waste clinics. Lyons Spring Clean Up will be capped off with the annual cleanup day at the Wastewater Treatment Plant on 2nd Avenue. Please join us in reducing, reusing, and recycling efforts, as we strive toward a more sustainable Lyons!

### COMMUNITY YARD SALE AT SANDSTONE PARK & BEYOND (SATURDAY, MAY 12)

The intent of the community-wide garage sale is for area residents, clubs, churches, groups, etc. to host garage sales throughout town on Saturday, May 12. For those outside Town limits, or who would prefer not to host a sale at their residence, space is available at Sandstone Park. The park can be used as a "flea market" type venue, free of charge. If you intend to host a garage sale either at the park or at your home please email Toby Russell (trussell@townoflyons.com), to get on the map!

New this year, Eco-Cycle is hosting three different zero-waste clinics at Sandstone Park: Lyons U-Fix-It Clinic (9:00 AM TO 1:00 PM); Green Cleaning Workshop (10:15 AM TO 11:00 AM); and a Zero Waste in your Workplace Workshop (11:00 AM TO 12:00 PM).

### CLEANUP DAY AT THE WASTEWATER TREATMENT PLANT (SATURDAY, MAY 19)

On Saturday, May 19, the Lyons area cleanup day will take place at the Waste Water Treatment Plant on 2nd Avenue, from 9 a.m. - 1 p.m. We will be accepting: many hard-to-recycle materials (including, but not limited to: scrap metal, appliances, electronic waste, mattresses, box springs, styrofoam, durable plastics, clothing, textbooks, bicycle tubes, plastic bags, and printer cartridges); smaller branches and organic yard waste; reusable items for charity; and landfill. This year charges for landfill items increased to try and limit commercial dumping.

Watch the local newspapers, town emails, facebook and website updates, etc. for more details and pricelists for the community yard sale and cleanup day.

### BOT MEETINGS

The Board of Trustees meetings are held the 1st and 3rd Mondays of each month at 7 pm at Town Hall. The public is welcome.
