BOT MEETINGS

The Board of Trustees meetings are held the 1st and 3rd Mondays of each month at 7 pm at Town Hall. The public is always welcome.

DRUG TAKE-BACK DAY

The National Prescription Drug Take-Back Day is Saturday, Oct. 27, from 10 a.m. to 2 p.m.. Unused or expired medication can be safely disposed of at the Boulder County Sheriff's Substation in Lyons, 430 Park Ave.

Please do not flush unused, unwanted, and expired medications down the toilet or put them in drains! Although flushing medication was a common practice used in the past, new studies show that prescription and over-the-counter drugs are not completely removed when passing through waste water treatment plants. Harm to marine and plant life can be caused by improper disposal. Sharps and chemo medication will not be accepted at this location.

Drug abuse isn't just about street drugs, over-the-counter medications are the most commonly abused drugs in the U.S. Keeping expired or unused medication can lead to accidental drug overdose by children, drug abuse, theft and illegal distribution. Keep your family safe.

EMERGENCY PREPAREDNESS FAIR

On October 13, all are invited to join the Lyons Fire Protection District and Lyons Prepared for the Emergency Preparedness Fair. The fair will include fire safety demonstrations, door prizes, snacks, and information on emergency preparedness. The event will be held at the Lyons Fire Station, from 12:30 to 2:30 p.m.

LIBRARY CONSTRUCTION: RECYCLING CENTER & RTD LOT

As the new library prepares for construction to begin in October, movement on the site (northwest corner of Railroad and 4th Ave.) has begun.

The recycling center on Railroad Ave. has moved to its new location near the wastewater treatment plant (198 2nd Ave.). The new location is accessible from the east side of 2nd Ave., across from the Bohn Park entrance. While the recycling center will be open for use once the dumpsters have been relocated, the cardboard compactor will not be operable for the first few weeks. During this time, please break down and place cardboard in the open recycling bins.

In addition, due to Library construction, the RTD lot, located at 4th Ave. and Broadway has permanently closed as a parking lot. Alternative parking and RTD pick-up is available on Railroad Ave. (one-way frontage road), along US-36 eastbound (between Railroad Ave. and Park Street).
