## ICE AND SNOW CLEARANCE

Let's work together to keep our streets and sidewalks accessible for everyone  
It's the neighborly thing to do...  
Snow and ice make traversing sidewalks difficult and dangerous.  
...and it's the law.

In accordance with the Lyons Municipal Code, property owners - including both residents and businesses - must remove snow or ice 24 hours after the last accumulation. If sidewalks remain hazardous and unkept, the Town may mitigate, and charges sent to the property owner.

Need Assistance? Lyons Volunteers may assist those who need help shoveling their sidewalks. Request help at [www.lyonsvolunteers.org](http://www.lyonsvolunteers.org)
