FREE COVID-19 TESTING IN LYONS

Every Friday through the end of the year, 1:30 - 3 p.m.

Boulder County Public Health, in partnership with Boulder Community Health, diagnostic testing developer Biodesix, Inc., and the Colorado Department of Public Health and Environment will begin providing free COVID testing in Lyons.

No appointment is needed, and individuals do not need to have COVID-19 symptoms to be tested. Individuals who are 65 years old or older or are essential workers are encouraged to attend.

Where: Parking lot of Church of Jesus Christ of Latter-Day Saints, 200 2nd Ave., Lyons
When: 1:30 – 3 p.m. every Friday beginning Oct. 30 through the end of the year, weather permitting and excluding holidays.

Requirement: Mask must be worn

For more information, visit boco.org/covid-19.

HOLIDAY GIVING DRIVE

Lyons Town Hall | Mon - Fri, 8:00 a.m. to 4:30 p.m.

You can help ensure every neighbor enjoys holiday meals and a comfortable season, by donating toiletries, gift cards, or funds to the Holiday Giving Drive. The Holiday Giving Drive is a collaboration between the Town of Lyons and the Lyons Emergency Assistance Fund (LEAF), to provide hope and a spirit of community this holiday season.

Donations of toiletries, gift cards, and funds can be dropped off in the Cookie Monster Donation Bin, located in the front office of Town Hall, during normal office hours (Mon – Fri, 8AM to 4:30PM). The donations will be collected and distributed by LEAF.

If you'd like to learn more about supporting or seeking assistance from LEAF, visit leaflyons.org.

Thank you in advance for giving back to the community and supporting our neighbors this holiday season.

LEAF COLLECTION

November 14, 9 a.m. to 12 p.m.

On Saturday, November 14, between 9 a.m. and noon, bring your leaf piles to the wastewater treatment plant (198 2nd Ave.) for free drop-off! The leaves collected will be responsibly composted at a commercial site. Please bring leaves in paper bags or bins (loose); leaves brought in plastic bags will be dumped and the bag will be sent back with the individual.

This event is sponsored by the Sustainable Futures Commission.

SHERIFF'S OFFICE REMINDERS

Streets, Schools, and Golf Carts

Our local officers and Town officials remind residents about the rules regarding speeding, parking, and licensed golf carts. Now that school is *OFFICIALLY* back in session, it's a good reminder for everyone to practice safe driving.

Lyons Middle/Senior High School

The parking lot is under construction and there is very limited parking for students and for staff near the school. The school requests your help by **NOT** parking at the school to go to the dog park or biking/hiking access to Picture Rock Trail during school hours, Monday - Friday.

Please remember to always come to a complete stop at a stop sign. Staff and students are walking to and from the school during school hours. There are 3 crosswalks by the school for pedestrian safety. As a reminder, bicyclists and golf carts must also follow vehicular traffic rules.

The speed along McConnell and near the school is 20 MPH. Remember, *twenty is plenty!*

Lyons Elementary School

Please slow down and drive safely around the elementary school. Speed is 15 MPH when school is in session.

Golf Carts

- Drivers must have a valid driver's license to operate a golf cart in the town of Lyons.
- If the driver has a permit, they must have a valid licensed driver with them.
- Also per code, no golf carts may be operated on any state highway within the Town limits, except to cross a state highway at a designated street intersection ie: 4th Ave and Broadway, golf cart must stay on 4th Ave.
- Any person age 18 or younger must be secured by a seat belt at all times while operating or riding in a golf cart on Town streets or rights-of-way.

Parking Reminders

Parking is not allowed:

- on any bridge
- within 5' of a private or public driveway
- within 15' of a fire hydrant
- within 20' of crosswalk or intersection
- within 30' of any traffic control device - including all stop signs
- where yellow or red curb markings prohibit parking

Thanks for your effort to keep Lyons safe for pedestrians, cyclists, dogs, golf carts and drivers!

NOVEMBER RECREATION

More details on all programs and COVID-19 safety precautions at:

townoflyons.com/recreation

Square State Skate Skateboarding Sessions

Kids—come have some fun at Bohn Park's brand new skatepark! Join the professional staff from SSS as you skate together, play games, work on skills and tricks and more. Wait list status for Nov. 21st class.

Women's Basic Bike Mechanics

Our favorite women's mountain bike instructor, Ann Trombley, is back and ready to teach you the basics so you can fix any problem on the trails. Don't walk that bike back home or wait for someone to come along and help. Ann can give you the skills you need to be self sufficient. Bring your bike and tools to each class along with a headlamp for individual work. Classes take place outside, please dress appropriately and don't forget your mask.

Fitness in the Park

This is the last month for this fun class that gets you outside and moving, using park features to aid in your workout. Join our Park Host and certified Health Coach, Nate Kern, to build strength and get that heart pumping! Four separate sessions offered weekly at LaVern Johnson Park.

Wednesday Walkers for Seniors

Join our senior exercise group and get out in the fresh air while enjoying stimulating conversation! The group walks through a park, while stopping for exercises and gentle stretching. Walkers are encouraged to go at their own pace and all exercises can be modified to accommodate any fitness level.

HIGH STREET STORMWATER IMPROVEMENT PROJECT

The High Street Stormwater Improvement project is underway! This project entails installing new storm drain along High Street between 5th Ave. and 4th Ave., and will continue down 4th Ave. from High Street to Main Street. Also included is the construction of a new concrete sidewalk along High Street, between 5th Ave. and 4th Ave.

Traffic Impacts

The eastbound lane of High Street between 5th and 4th Ave. and southbound lane of 4th Ave. between High Street and Main street will be closed until the end of November. On-street parking on the south side of High Street and west side of 4th Ave. in these areas will not be available during this project. Businesses' access will be maintained throughout the project, with day-to-day closures as needed. Pedestrian traffic will be allowed to access the businesses.

Safety First

This project will have open trenches while they install the new storm drain, so please avoid getting close to these areas. As with any construction project, there are safety concerns with equipment and trucks working; please give them space to work and do not impede their work space for your safety.

Visit townoflyons.com/HighStreet for more information and project updates.
