LYONS FIRE DISTRICT LIMB DROP OFF & CHIPPING

On Saturday, November 11th from 8 am - noon, members of the Lyons Fire Protection District will be hosting a limb drop off at the Town of Lyons Public Works Facility, located at 4687 Ute Highway. This is a great opportunity to take advantage of removing any dead limbs from your property and bring them to the drop off, where they will be chipped into mulch. Lyons Fire, Boulder County and the Town of Lyons are teaming up to offer this free community event.

BROADWAY ROAD WORK

This project will enable cyclists, pedestrians and vehicles to safely travel along US-36 eastbound through town. More pedestrian friendly, plus nearly 50 additional on-street parking spaces along the southern and northern edges of Broadway, sidewalks and a multi-modal path on the south side are all included in the improvements.

BE A LYONS LOCALVORE!

When you shop, dine, get your ride worked on or utilize our local businesses, you contribute to their success and enhance our community.

Per Colorado state statute, the 2024 fiscal year budget must be adopted before December 15, 2023. BOT priorities for 2024 include sidewalk improvements, local street repairs, electrical undergrounding and WWTP upgrades. For more details, visit townoflyons.com/2024budget
