## GOLF CAR REGISTRATION

All Golf Cars (Low Speed Electric Vehicles) are required to be registered in Lyons, per the Lyons Municipal Code. Registration helps to ensure that the vehicle is safe and has the correct mirrors and signage required. The program is for the safety of drivers as well as residents. In addition, the registration shows where golf cars are allowed and prohibited. For more information visit

## SIDEWALK FUNDING AND INFRASTRUCTURE

The Board of Trustees (BOT) held a special meeting in late April to give staff direction regarding funding for a local match towards more sidewalks and pedestrian safety within the Town. The BOT directed staff to pursue the federal grant for sidewalk funding to include 3rd Ave and Stickney near the elementary school, along SH-7 as well as a safer connection along US-36 towards Eagle Canyon.

## BEARS ARE BACK

With the warm weather, bears are coming out, and they will start looking for food and getting into trash.

Taking precautions such as locking up trash and other potential food sources from bears is important to prevent them from becoming habitually reliant on these sources for food. Bears become more of a risk when they associate humans with a food source.

It is very important for us to protect these animals and protect the public, and that is the responsibility of our community. If you do not have a bear proof bin, wait until the morning to put out your trash.

Garbage kills bears.

### PAWS UP!

Your dog license fees help support the dog clean up stations and bags as well as the Lyons Dog Park.

Unless you're in the Dog Park, please remember to leash up your dog within the Town of Lyons. PAWS UP!

## EMERGENCY SIREN TESTING

Boulder County has begun testing of the countywide emergency sirens. The audible siren tests take place on the first Monday of each month, from April through September and occur twice on each testing day at 10 a.m. and 7 p.m.

Siren tests ensure that all systems and procedures are working properly during the season of peak flood and fire danger. Should Boulder County experience severe weather during one of the planned audible tests, the siren tests for that day may be cancelled.

## RECREATION PROGRAMS

It's sign up time for spring sports season! Local softball, baseball, and soccer teams are already forming and can fill quickly. Kids Mountain Biking classes for spring and summer are open. Square State Skate is back with summer camps and classes. Check out all the options!

## HELPFUL UPDATES

- Each spring the St Vrain rises due to snow melt in the mountains. If you are interested in knowing the current rate of flow through town, the best site is the State's gage station for Lyons. <https://dwr.state.co.us/Tools/stations/SVCLYOCO?params=DISCHRG>
- At the direction of the BOT, the Town will have eight overflow dry camping spots for campervans and self-contained pick up trucks with slide-ins during the summer months at the 2nd Ave Trailhead. The camping is limited to a maximum of three days. The Bohn Park hosts will manage the area and reservations.
