RTD services and the EcoPass use the *MyRide* App, accessed via your smart phone for all passes. Lyons residents need to download and install the *MyRide* app, in order to access free use of any RTD bus or light rail including rides to the airport, and around Boulder, Longmont, and Denver. ## WINTER RECREATION UPDATES

The continued warm weather this winter season has created challenges for the outdoor skating rink, making it difficult to provide a safe and functional ice surface. As a result the BOT, based on PRC and staff recommendations, made the difficult decision to not open the rink this winter. The season is already very limited for outdoor skating in Lyons and the continued warm weather has not been helpful. We appreciate the community's patience and understanding.

The Town of Lyons is excited to announce a FREE Kids Kayaking Clinic as part of our *Try a Sport* program. Learn more: [www.townoflyons.com/Rec](http://www.townoflyons.com/Rec)

## CONVERSION TO PAPERLESS BILLING

In an effort to reduce billing costs and to move forward with sustainability goals, the Town is converting to paperless billing. **A \$5 one time credit** will be issued to customers who are not currently enrolled with paperless billing to encourage them to switch to paperless within the next 90 days, through March 31, 2025. If you are already enrolled and receive your bill online, thank you. There will not be a retroactive credit.

The move to all online only will take effect April 1, 2025. Effective April 1, 2025 there will be a **\$2 monthly charge** for those customers who do not convert to paperless billing and continue to receive a paper bill. The paperless billing is free to sign up, accepts credit & debit cards, and direct checking account transfers as forms of payment. The online site provides the ability to set automatic monthly payments, as well as access the monthly billing history of your utility account. Customers may sign up here: [townoflyons.com/onlinebilling](http://townoflyons.com/onlinebilling)

Customers eligible for low-income utility services, may request an exemption from the \$2 per month fee.
