## HELPFUL UPDATES

**Mondays with the Mayor**, the 2nd and 4th Monday of each month, from 11:30 am - 1 pm at Moxie Mercantile, located on High St.

**Did you know?** The average US household wastes more than 10,000 gallons each year from easy-to-fix water leaks. To learn how to check for leaks, visit [townoflyons.com/waterwise](https://townoflyons.com/waterwise)

## MOUNTAIN BLOOMS GARDEN TOUR

Mark your calendars! The Lyons Garden Club 5th Annual "Mountain Blooms" Garden Tour is on Saturday, June 14, 2025 from 9:00 a.m. to 1:00 p.m., rain or shine. Tickets are free, but the Garden Club gratefully accepts donations. All details about the tour and ticketing information can be found at [www.lyonsgardenclub.com](https://www.lyonsgardenclub.com). Come and enjoy the beauty of the hidden gems and gardens in Lyons.

## HYDRANT FLUSHING

The Town will be flushing fire hydrants and water system valves, working their way through town from east to west averaging 4 or 5 hydrants weekly. Fire hydrants are opened, increasing the velocity of water moving through the pipes, removing sediments that affect the water's taste and color.

### Cloudy or Discolored Water

Flushing may cause your water to appear cloudy or discolored for a short time. This water is not harmful, though it may stain laundry. It is safe to use on plants and landscape. If this occurs:

- wait until the nearby flushing is complete
- remove faucet aerators or filters
- run the COLD water for 5-10 minutes (usually the water clears within a few minutes)

## WILDFIRE PARTNERS UPDATES

In addition to the Limb Drop Off and Diversion Day events in May, Wildfire Partners and Boulder County is offering a free neighborhood chipping program to all residents within Boulder County, including Town residents. A minimum of five participating neighbors is required to host a community chipping event. The county will provide the chipping services and haul the chips to a partnering donation site. Learn more and apply to the chipping program at [boco.org/chipping](https://boco.org/chipping)

Later this spring, the Town of Lyons will be rolling out a Wildfire Mitigation Grant Program to match the county's \$500 rebate for specific residential mitigation action. The program includes Junk Your Juniper, Fences are Fuses and more. Details from the Town will be announced soon, once Boulder County releases their 2025 program rules.
