

## Discover Outdoor Adventure in Lyons, Colorado: Convenient Basecamp for Exploring the Rockies

Nestled against the majestic Rocky Mountains, Lyons, Colorado beckons outdoor enthusiasts with its diverse array of inspiring adventures. Serving as a basecamp for iconic Rocky Mountain National Park, Lyons offers an unparalleled outdoor experience, promising unforgettable memories for every nature-loving visitor.

From stunning hiking trails with incredible vistas to varied levels of mountain biking routes, cross-country skiing, fat-tire biking, tubing down the St. Vrain River, to fly fishing and kayaking, Lyons boasts a variety of outdoor activities to satisfy every adventure seeker's cravings.

**Hiking Trails:** Visitors can explore a variety of hiking trails suitable for all skill levels, choosing from the Hall Ranch Open Space for a moderate hike with striking foothill views or the more rugged Heil Valley Ranch trail, weaving through pine forests and open grasslands.

**Mountain Biking:** On mild winter days, bikers can embark on wonderful mountain biking adventures along picturesque trails throughout Lyons. From the scenic Picture Rock Trail to the more technical descents of Hall Ranch, riders of all levels will find excitement and exploration.

**Cross-Country Skiing:** In the snowy months, skiers can experience the magic of cross-country skiing in nearby Allenspark, Rocky Mountain National Park, or Rabbit Mountain Open Space or glide through the town's parks and open space trails, offering picturesque views from majestic Long's Peak to the plains of the Front Range.

**Fat Tire Biking:** Fat tire enthusiasts can conquer snowy landscapes on Lyons' specially designed fat-tire biking trails, including the multi-use trails at Heil Valley Ranch, providing a unique and exhilarating winter adventure.

**Fly Fishing on the St. Vrain River:** Year-round fly fishers can cast their lines into the clear, flowing waters of the St. Vrain River and test their skills against its abundant trout population, surrounded by the stunning backdrop of the Rocky Mountains.

**Rocky Mountain National Park (RMNP)** : Travelers through Lyons on their way to RMNP can set up basecamp in Lyons to explore the pristine wilderness of RMNP and the surrounding landscapes along the way. Visitors can immerse themselves in diverse ecosystems and awe-inspiring panoramic views along Highway 36 through Pinewood Springs to Estes Park or take the route less traveled, but with spectacular views along State Highway 7 through Allenspark to Lily Lake then onward to Trail Ridge Road.

Lyons invites outdoor enthusiasts to experience nature's beauty and adventure firsthand. Whether seeking tranquility or an adrenaline rush, Lyons offers the perfect outdoor getaway for all. Visitors can plan their next adventure based in Lyons, where breathtaking scenery along with a multitude of outdoor activities converge for a fun-filled experience. Visitors who discover Lyons might spend an entire day or more getting lost in the small-town charm and its history. With two local breweries, a distillery, numerous restaurants, ice cream, and coffee shops, as well as gift shops and galleries, the hip little town of Lyons Colorado offers something for everyone.
