

## TOWN OF LYONS PRESSURE REDUCING VALVE (PRV) REBATE PROGRAM

### Program Information:

PRV rebates cover up to 50 percent of the installed cost at your residence (maximum of \$125). Limit one per household. This rebate is offered only to Town of Lyons water customers who currently do not have a PRV. The PRV must be installed by a licensed plumber between your meter and your homes internal shut-off valve.

Customers must consider carefully any recommendations about changing their private water service systems. The PRV installation, replacement, repair, and maintenance is the property owner's responsibility.

Rebates will only be issued to building owners. If you're a tennant who is responsible for the account, please contact the building owner to coordinate this process and application form.
